## **DETAILED ACTION**

This action is responsive to the amendment filed 12-09-2005, which has been entered. Claims 1-5 are allowed.

## Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance: the prior art fails to anticipated or render obvious the combination of a line pressure control apparatus for a CVT as set forth in claim 1, wherein the line pressure upper limit setting means is operable when the engine speed detected by the engine speed detecting means for setting for setting the upper limit of the line pressure, and most significantly, the line pressure control means controls the line pressure so that the line pressure does not exceed the upper limit of the line pressure set by the upper limit setting means regardless of the line pressure generated according to the running condition.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Marcus Charles whose telephone number is (571) 272-7101. The examiner can normally be reached on Monday-Thursday 7:30 am to 6:00 pm.
